Finally, your vehicle will take you to Ranu Pani where you will stay with a local family. After some sightseeing around the area, there is ample time to explore on your own and take in the atmosphere. Enjoy a homemade dinner.

DAY 02: RANU PANI – RANU KUMBOLO – KALIMATI, MT. SEMERU (B+L+D)

Today, you will start your journey through the tropical rain forest that is home to Mt. Semeru, the highest mountain in this part of Java and one with an active volcano. A 3-4 hour walk will lead you to Ranu Kumbolo with its mountainous lake. After lunch, we trek for another 3-4 hours reaching Kalimati Camp - the summit camp of Mt. Semeru. A very early start is slotted in to begin your journey to the summit of Mount Semeru. About two and a half hours of walking will lead you to the crater's rim from where, if you get there early enough, you'll be able to take in the

sunrise. You can spend some time taking in the beauty that surrounds you, before heading back to the base camp in time for breakfast. We will then trek back to Ranu Pani Village via Mount Ayek-Ayek - this route will take 2-3 hours, reaching there, just after lunch. Next, we take the jeep to Cemoro Lawang village where you will stay overnight at a lodge.
